NOTE.

Dated...28th..September.....*191* 9

1) Now that the Tuberculosis Hospital at Mysore is nearing completion, the Senior Surgeon may be asked what steps he proposes to take for the entertainment of the necessary staff for that hospital, whether the services of a specialist are necessary or not and if necessary what pay he proposes to give him..

To

The Chief Secretary with compliments.

2) The Tuberculosis Hospital has been built by the Palace Deptt and it is possible that they will staff it and equip it also. There are no papers in the Branch regarding this hospital. If considered necessary the Huzur Secy may be asked if any staff etc. is required Lowson, but this is hardly necessary as a communication in the matter will no doubt be received as soon as there is need.

NOTE—Contn. sheet.

D.O. letter No.746 dated the 24th April 1920, from the Chief Engineer of Mysore, to the Private Secretary to the Dewan.

With reference to your D.O. letter No.692 dated 9th April 1920, regarding the Tubercolosis Sanitorium in Mysore, I write to say that, after a personal inspection of the buildings under construction, I consider the additional cost is necessary in order that the Hospital may fully answer the purpose for which it is intended.

The only difficulty is to provide in the P. W. Budget the additional sum of Rs 42,000/- required for the further works ------ proposed in Mr. Rajagopalachary's Note dated 29th January 1920.

The Finance Committee that met the other day, are not in a position to recommend to the P. W. D. any extra grant above the normal for 1920-21, owing to financial pressure, and the grant --- fixed is barely sufficient to push on with the incomplete works in progress. The question of funds will have to be decided.

As regards maintenance charges, when the buildings are ---- completed and handed over, the amount required for the annual ---- repairs etc., will be allotted from the sum set apart for "repairs, Civil buildings" in the P. W. Budget.

The question of staff etc., will, I think, be Settled ~~consulted~~ in consultation with the Senior Surgeon.

From the minute of the Hon'ble Member recorded on 31.10.19 after a talk with the Home Secretary it is clear that the Govt will have to provide, from the State budget, the funds required to meet ~~[illegible]~~ the cost of staff, medicines, dietary etc (recurring). Without the the additional buildings it will probably not be convenient to work the hospitals to meet this expenditure are not available from the P.W.D. budget for 1920-21.* So the two condition precedent is fulfilled the other contingency viz question of recurring charges, will not come in. The expenditure will have to be classified as 'Civil Works outlay' and if it is not met from the grants for Public Works, the result will be excess over grant or in other words a deficit. Subject:-

Budget Estimates of Public Works Department for 1921-22.

The Budget Estimates of the Public Works Department for the year 1921-22 have had to be reduced to Rs 28,05,000/- from the actual average of Rs 37,67,815/- of the three previous years as shown in the margin.

Year.	Accounts.	Revised estimate.
	Rs	Rs
1917-18	34,24,399	...
1918-19	42,60,402	...
1919-20	36,18,645	...
1920-21	...	32,86,000
Total of three years.	113,03,446	...
Average for one year.	37,67,815	...

2. On account of this heavy reduction of Rs (37,67,815 - 28,05,000) 9,62,815/-, only such works as have been in progress and are nearing completion or have to be completed were provided for the year 1921-22. Under these circumstances it was not possible to provide for any new works, however urgently they may be required for administrative, or other reasons.

3. Accordingly the High School at Davangere (estimated to cost Rs 1½ lakhs;

the central Panchama Institute at Mysore (cost Rs 69,000);

-both being urgent works;

as well as the completion of the Tuberculosis Sanatorium towards which only the balance of cost of Rs 41,700/- has to be provided;

all these and similar urgent works have had to be left out.

4. The question of meeting the cost of the above mentioned urgent works was, however, considered in Council subsequently and the following resolution recorded:-

"The revised details of the Budget Estimates totalling ----- Rs 28,50,000/- may be approved.

As regards the Davangere High School and the Central Panchama Institute, Mysore, the works may be started if the necessary funds can be spared from the Education Department Budget.

With reference to the Tuberculosis Sanatorium at Mysore, --- till funds can be made available in the Public Works Budget the --- amount required for expenditure may be obtained as a loan from the Personal Estate account of Rajakumar Desaraj Urs and the work ----- carried to completion.

As the Personal Estate account will lose interest the amount may be repaid, with interest at the Savings Bank rate."

5. On this the Financial Secretary has recorded his opinion as follows:-

"Starting the construction of the Davangere High School and the Central Panchama Institute at Mysore from any small grant that may be spared from the Education Department will only result in --- the creation of incomplete works for completing which, there is no certainty of obtaining funds in future. If the entire amount for the construction of these buildings can be spared from the Education Department and if both the buildings can be completed in the next year, the arrangement proposed may be adopted. Otherwise the Financial Department cannot agree to an arrangement which will only result in an addition being made to the list of incomplete --- works. Considerable embarassment has been caused by starting work with small grants and creating future liabilities for completing -- them.

The Public Works Department has expressed its inability for the completion of the Tuberculosis Sanatorium at Mysore out of the grant allowed to it for next year. If in such circumstances the work is undertaken the expenditure on it will produce a deficit. The proposed policy of deficits has been abandoned and it is ------ inadvisable to resort to an arrangement which will indirectly ----- produce a deficit. It is all a question of relative urgency. If this work is comparatively more urgent than others for which ------ provision has been made in the Public Works Department it must be given priority and other less important works have to wait.

The procedure of borrowing for ordinary administrative ----- expenditure is opposed to fundamental financial rules."

6. The works and provisions provided for in the Budget -------- Estimates for the next year are equally urgent and indispensable for reasons stated in para 2 and the idea of omitting any of them is unthinkable.

7. Gracious sanction to the resolution of the Council is ----- solicited.

D.O. No. 746

Public Works Secretariat,

Dated Bangalore, 24th April 1920.

Subd. with refes

My dear Sir,

With reference to your D.O.letter No.692 dated 9th April 1920, regarding the Tuberculosis Sanatorium in Mysore, I write to say that, after a personal inspection of the buildings under construction, I consider the additional cost is necessary in order that the Hospital may fully answer the purpose for which it is intended.

The only difficulty is to provide in the Public Works budget the additional sum of Rs 42,000 required for the further works proposed in Mr.Rajagopalachary's note dated 29th January 1920-

The Finance Committee that met the other day are not in a position to recommend to the Public Works Department any extra grant above the normal for 1920-21, owing to financial pressure, and the grant fixed is barely sufficient to push on with the incomplete works in progress. The question of funds will have to be decided.

As regards maintenance charges when the buildings are completed and handed over, the amount required for the annual repairs etc., will be allotted from the sum set apart for "Repairs, Civil Buildings" in the Public Works Budget-

The question of staff etc., will, I think, be settled in consultation with the Senior Surgeon-

Yours sincerely,

My dear Sir

I am directed to send herewith a detailed note on the Tuberculosis Sanatorium now under construction in Mysore. It will be seen therefrom that estimates aggregating about Rs. 71,300/- have already been sanctioned and that further works costing Rs. 45,400/- have to be carried out to complete the scheme. The total cost will thus be roughly Rs. 116,700/-

I am directed to state that it has been decided that a sum of Rs. 75,000/- is to be paid from the II Maharajakumari's funds towards the cost of the Sanatorium and to request you to let me know whether Government will be prepared to spend the balance required.

Note on the Tuberculosis Sanatorium now under construction on the Mysore Belgola Road in Mysore.

The Sanatorium is built in memory of, and is named after, the late lamented II Maharajakumari, Krishnajammanniavaru. The Foundation Stone for the building was laid by Her Highness the Maharani, C.I., on the 6th April 1918 and the design and plans were prepared by Mr. E.W. Fritchley, Architect of Bombay.

1. The following estimates for the several buildings etc., of the Sanatorium were sanctioned from time to time:-

No.	Item.	Estimated amount.
		Rs.
1.	Administrative Block	10,130- 0- 0
2.	Sub Assistants' Quarters	5,006- 0- 0
3.	Matron's Quarters	3,263- 0- 0
4.	Four Wards with passages at Rs. 6,775/- each.	27,100- 0- 0
5.	Lighting and water supply	6,000- 0- 0
6.	Levelling and clearing	2,000- 0- 0
7.	Acquisition of lands	7,000- 0- 0
8.	Mortuary House	500- 0- 0
9.	Vegetarian Kitchen	3,500- 0- 0
10.	Non-vegetarian kitchen	2,500- 0- 0
11.	Servants' Lines of 6 houses.	4,200- 0- 0
	Plus	100- 0- 0
	Total	Rs. 71,299- 0- 0

Items Nos. 1,2,4,6,7,9 and 10 have already been completed and items No's. 8 and 11 have yet to be constructed. Originally a Matron's quarters were proposed to be built.

SPK

But now in its place another Sub Assistant Surgeon's Quarters as in item No. 2, were constructed.

The total amount spent on the several works up to end of November 1919 is Rs. 55,587/-.

3. In order to complete the scheme and to enable work being started in the Hospital in an up to date and efficient manner, the following further works have to be taken up immediately:-

	Cost Rs.
1. One big ward of 20 beds	25,400- 0- 0
2. Additional servants' Lines. (This is in addition to Rs. 4,200/- already sanctioned for servants' lines.)	7,000- 0- 0
3. Water Supply and Lighting (This is in addition to Rs. 6,000/- already sanctioned.)	8,000- 0- 0
4. Contingency.	5,000- 0- 0
	Rs. 45,400- 0- 0

Estimates for the above works are now ready and will be sanctioned immediately. The water supply and lighting works are just being taken up.

4. The toal expenditure likely to be incurred on the project for the completion of the works referred to above is Rs. 71,300 plus Rs. 45,400 = Rs. 116,700 in all.

5. The following accommodation will be available in the Sanatorium:-

Quarters for two Sub Assistant Surgeons.

28 beds for patients with

2 kitches, one for Vegetarians and the other for non-vegetarians.

23rd April 1921.

Dear Mr. Ranganatha Rao Saheb,

With reference to the Dewan's D.O.letter No.881 dated 29th June 1920 to the address of the Huzur Secretary in regard to the question of finding funds to the extent of Rs.45,400/- to complete the construction of the Tuberculosis Sanatorium, I am directed to say that as the Government are unable to spare the amount at present and as the works have to be completed very early, it is proposed to advance, from the Personal Estate account of Rajkumar Desaraj Urs, the additional amount required to complete the sanctioned works, over the sum of Rs.75,000/- which will be debited finally to Rajkumar's Estate. The advance may be paid back by Government at their early convenience. If the Dewan approves of this arrangement I am to request that a formal order of Government may be placed on record to that effect.

The papers received with the D.O.under reference are returned herewith with thanks.

Dear Mr. Venkata Rao,

I write to acknowledge the receipt of your D.O.No. L 3936/ Med. dated the 10th Jany. 1922 and to state that the account is being compiled here and will be sent to you shortly.

As a few claims of contractors for - certain works completed have not been settled finally, I am asking the Executive Engineer, Palace Maramath department to close the works and submit a final report in the matter to enable me to give you a correct idea of the - situation.

Yours sincerely,

The Palace,

Mysore, 16th January 1922.
